

NEVADA SOCIETY FOR
DERMATOLOGY &
DERMATOLOGIC SURGERY

Development Fund

To support the formation, growth
and success of NSDDS.

What is the NSDDS Development Fund?

- Established in 2018 by the Skin Cancer and Dermatology Institute in Reno, NV with a generous donation of \$5,000.
- Created to grow the practice of dermatology/dermatologic surgery in the state of Nevada by supporting the first-ever state-focused organization for current and future dermatologists and dermatologic surgeons.

NSDDS Development Fund supports:

Administrative Support necessary to execute the primary functions of the organization — to get NSDDS up and running.

Advocacy Support to track, communicate and take action on legislative and regulatory policies of importance.

Website Development for communicating information and education to a broader audience — member dermatologists/dermatologic surgery, dermatology clinical staff, consumers, industry, legislators and other stakeholders.
